EDUCATION PROGRAMS

Maternal / Infant Health Services

AT THE CHESTER COUNTY HOSPITAL

*The birth of a baby is an important moment in
the life of a family and at The Chester County Hospital
we believe everyone
should have the opportunity to share in the miracle.*

The Chester County Hospital offers a comprehensive Childbirth Education Program intended to meet the needs of first-time parents or experienced ones. We offer a wide variety of classes to help prepare the entire family in welcoming the newborn. The curriculum has been carefully designed to assist parents in obtaining the tools they will need for pregnancy, labor, birth, postpartum, breastfeeding, newborn care, parenting, and sibling adjustment. Classes are taught by experienced maternal/infant nurse educators who have a special certification in childbirth education.

✿ To help fit parents' busy schedules classes are offered on evenings and weekends.

Please note:

Registration is required for all classes and tours.

Preparation for Childbirth

FOUR-WEEK PREPARED CHILDBIRTH SERIES

This four-week series is offered once a week for 2¹/₂ hours. The goal of the class is to provide valuable tools to expectant parents in preparation for the birth experience. The program includes discussion on the stages of labor, role of the coach, relaxation and breathing techniques, medications, (including epidurals), birth options, cesarean births, postpartum issues, and newborn routines. A tour of the Maternity Unit is included. Recommended for first-time parents, this class is best taken during the seventh month of pregnancy.

Location: The Chester County Hospital Campus: Center for Nursing and Allied Health

Fee: \$85/couple

ONE-DAY PREPARED CHILDBIRTH CLASS

This class is one day in length and is intended for busy couples who want the condensed version of the four-week series. All the critical information to prepare for childbirth is taught in an accelerated fashion. A tour of the Maternity Unit is included. Recommended for first-time parents, this class is best taken during the seventh month of pregnancy.

Location: The Chester County Hospital Campus: Center for Nursing and Allied Health

Fee: \$85/couple

CHILDBIRTH REFRESHER

This one-session class is offered for couples who have taken a childbirth preparation class during a previous pregnancy. The program offers a review of the signs and stages of labor, role of the coach, breathing and relaxation techniques, medication options, sibling adjustment, and hospital routines.

Location: The Chester County Hospital Campus: Center for Nursing and Allied Health

Fee: \$30/couple

MATERNITY UNIT TOUR

Our maternity tours offer prospective parents an opportunity to visit our labor and delivery unit, newborn nursery, maternity unit, and neonatal intensive care unit. Ample time is available to answer questions regarding the Hospital's policies and procedures. Tours are offered two times per month.

Location: The Chester County Hospital: Main Lobby

Fee: Free

NEWBORN CARE

This one-session class teaches important techniques about caring for your infant. The program includes infant safety, bathing, diapering, dressing, and needs of the newborn. Participants will have the opportunity for "hands-on" practice.

Location: The Chester County Hospital Campus: Center for Nursing and Allied Health

Fee: \$30/couple

PRENATAL BREASTFEEDING

This one-session class is for pregnant women who are interested in breastfeeding. The program provides practical information helpful in getting breastfeeding off to a successful start. Topics covered include factors impacting milk production, correct latch and positioning, feeding schedules, and problem solving. Spouses/significant others are encouraged to attend.

Location: The Chester County Hospital Campus: Center for Nursing and Allied Health

Fee: \$30/couple

SIBLING CLASS

This is a special class to help children ages 3-7 prepare for the new baby and addresses the child's role as the new big brother/sister. Changes that will occur within the family are also discussed. A brief tour of the newborn nursery and maternity unit is included.

Location: The Chester County Hospital: Mira Conference Room

Fee: \$20/family

CPR CLASS: FAMILY & FRIENDS

This program is now being offered at Good Fellowship Ambulance & EMS Training Institute located at 600 Montgomery Avenue, West Chester. For more information, please call 610.431.2303.
